

## NR Typical BESS Reference List

| Sr.No. | Product type | Project name   | Status       | Time    | Capacity (MW) | Energy (MWh) | Project scope   | Battery Type                 | Location    |
|--------|--------------|--|--------------|---------|---------------|--------------|---|------------------------------|-------------|
| 1      | PCS-9567     | Energy Storage Project of Nanjing Smart Grid Industrial Park                                       | In Operation | 2015    | 0.2           | 1.4          | PCS+MGCC+EMS project integration, design and construction                                     | Sodium Sulfur                | China       |
| 2      | PCS-9567     | Xuzhou Active Distribution Network Energy Storage Project  | In Operation | 2016.11 | 5.6           | 5.6          | PCS+MGCC+EMS project integration, design and construction                                     | Lithium battery              | China       |
| 3      | PCS-9567     | Beijing Microgrid Energy Storage Demonstration Project   | In Operation | 2016.12 | 0.33          | 0.33         | PCS+MGCC+EMS project integration  | Lithium battery              | China       |
| 4      | PCS-9567     | Demonstration Project of All-vanadium Flow Energy Storage in Osaka                                 | In Operation | 2017.5  | 0.5           | 1            | PCS +EMS supply   | Liquid flow                  | Japan       |
| 5      | PCS-9567     | India State Grid Lithium + Lead Carbon Energy Storage Demonstration Project                        | In Operation | 2017.3  | 1             | 0.5          | PCS+EMS supply  | Lithium battery, lead carbon | India       |
| 6      | PCS-9567     | Thailand PEA Microgrid Energy Storage Project  | In Operation | 2017.9  | 0.1           | 0.1          | PCS+MGCC+EMS+ battery equipment general package, project integration, design and construction | Lithium battery              | Thailand    |
| 7      | PCS-9567     | Henan Anyang Chuangyou Microgrid Energy Storage Project  | In Operation | 2017    | 0.31          | 0.2          | PCS+MGCC+EMS+ battery equipment general package, project integration, design and construction | Lithium battery, lead carbon | China       |
| 8      | PCS-9567     | Thailand EGAT Wind Optical Storage Project   | In Operation | 2019    | 1.5           | 1.5          | PCS+PMS+EMS   | Lithium battery              | Thailand    |
| 9      | PCS-9567     | Hunan Shuangdeng Lead Carbon Energy Storage Project  | In Operation | 2018.3  | 0.1           | 0.4          | PCS supply  | Lead carbon                  | China       |
| 10     | PCS-9567     | All-vanadium Redox Flow Energy Storage II in Osaka, Japan  | In Operation | 2018.5  | 1             | 4            | PCS +EMS supply   | Liquid flow                  | Japan       |
| 11     | PCS-9567     | Ibaraki All-vanadium Liquid Flow Energy Storage  | In Operation | 2018.7  | 0.5           | 2            | PCS +EMS supply   | Liquid flow                  | Japan       |
| 12     | PCS-9567     | Yellow River Hydropower Gonghe Experimental Base Lithium + Zinc and Bromine Energy Storage Project | In Operation | 2018.7  | 3.4           | 2.6          | PCS supply  | Lithium battery, liquid flow | China       |
| 13     | PCS-9567     | Shanxi Laoqianshan Wind Farm Lithium Energy Storage Project  | In Operation | 2018.11 | 6             | 6            | PCS+PMS+EMS supply  | Lithium battery              | China       |
| 14     | PCS-9567     | Guangdong Conghua user-side lithium battery energy storage project                                 | In Operation | 2018.9  | 2             | 4            | PCS supply  | Lithium battery              | China       |
| 15     | PCS-9567     | Cascade utilization of energy storage in Shiyan, Hubei   | In Operation | 2018.6  | 0.25          | 0.5          | PCS+PMS+EMS supply  | Lithium battery              | China       |
| 16     | PCS-9567     | Qingdao Cascade Energy Storage Project   | In Operation | 2018.8  | 1             | 2            | PCS+PMS+EMS supply  | Lithium battery              | China       |
| 17     | PCS-9567     | Thailand PEA Microgrid Lithium Energy Storage Project  | In Operation | 2020.5  | 3             | 2.2          | PCS+PMS+MGCC+EMS+battery equipment package  | Lithium battery              | Thailand    |
| 18     | PCS-9567     | Nanpeng Island Microgrid Lead Carbon Energy Storage Project  | In Operation | 2018.1  | 0.1           | 0.8          | PCS+MGCC+EMS+ battery equipment general package, project integration                          | Lithium battery              | China       |
| 19     | PCS-9567     | Haining Active Distribution Network Lead Carbon + Lithium Energy Storage Project                   | In Operation | 2019.5  | 1.2           | 2.4          | PCS+EMS+battery equipment general package, project integration                                | Lithium battery              | China       |
| 20     | PCS-9567     | Nanjing Charging Tower Energy Storage Project  | In Operation | 2019.1  | 1             | 4            | PCS+EMS supply  | Lead carbon                  | China       |
| 21     | PCS-9567     | Anhui Huabei Optical Storage and Charging Lithium Energy Storage Project                           | In Operation | 2018.11 | 3.25          | 13           | PCS+EMS supply  | Lithium battery              | China       |
| 22     | PCS-9567     | Xinjiang Ronghe Microgrid Lithium Energy Storage Project   | In Operation | 2019.1  | 16            | 28           | PCS+PMS+MGCC+EMS supply   | Lithium battery              | China       |
| 23     | PCS-9567     | Shandong Changdao Microgrid Energy Storage Project   | In Operation | 2020.5  | 2.55          | 2            | PCS+MGCC+EMS+ battery equipment general package, project integration, design and construction | Lithium battery              | China       |
| 24     | PCS-9567     | Japan TOTO 600kW Energy Storage Project  | In Operation | 2019.1  | 0.6           | 3.6          | PCS supply  | Sodium Sulfur                | Japan       |
| 25     | PCS-9567     | Japan ANDO 200kW energy storage project  | In Operation | 2019.6  | 0.2           | 1.2          | PCS supply  | Sodium Sulfur                | Japan       |
| 26     | PCS-9567     | Hefei Zhengrui Xunying Energy Storage Project  | In Operation | 2019.5  | 0.5           | 3            | PCS+PMS+EMS supply  | Lithium battery              | China       |
| 27     | PCS-9567     | Optical Storage Diesel Microgrid Lithium Energy Storage Project in Cagbaret Island, Philippines    | In Operation | 2018.5  | 0.03          | 0.15         | PCS+MGCC+EMS+ battery equipment general package, project integration                          | Lithium battery              | Philippines |
| 28     | PCS-9567     | Henan Longmang Bailian User-side Lithium Energy Storage Project                                    | In Operation | 2019.11 | 12            | 48           | PCS+EMS+battery equipment general package, project integration, design and construction       | Lithium battery              | China       |

## NR Typical BESS Reference List

| Sr.No. | Product type | Project name  | Status          | Time         | Capacity (MW) | Energy (MWh) | Project scope  | Battery Type    | Location |
|--------|--------------|---|-----------------|--------------|---------------|--------------|--|-----------------|----------|
| 29     | PCS-9567     | Lead-acid energy storage project on the Huzhou power grid side of Zhejiang Power Grid | In Operation    | 2020.6       | 12            | 48           | PCS+PMS+EMS+ battery equipment package                               | Lead acid       | China    |
| 30     | PCS-9567     | Zhejiang Quzhou Power Grid Side Energy Storage Phase I                                | In installation | In execution | 0.03          | 0.48         | PCS+PMS+EMS+ battery equipment package                               | Lead acid       | China    |
| 31     | PCS-9567     | Kaishan Island Microgrid Energy Storage   | In Operation    | 2019.6       | 0.6           | 0.6          | PCS+MGCC+EMS equipment general package, project integration          | Lead carbon     | China    |
| 32     | PCS-9567     | Swiss EWJR lithium battery energy storage project                                     | In Operation    | 2019.7       | 2             | 2.17         | PCS+PMS+EMS+ battery equipment package                               | Lithium battery | Swiss    |
| 33     | PCS-9567     | Jiangxi Power Construction Energy Storage Demonstration Project                       | In Operation    | 2019.8       | 0.2           | 0.8          | PCS+EMS+PMS supply   | Liquid flow     | China    |
| 34     | PCS-9567     | Wuhan Nanrui All-vanadium Liquid Flow Test Project                                    | In Operation    | 2019.3       | 0.5           | 2            | PCS supply   | Liquid flow     | China    |
| 35     | PCS-9567     | Suzhou Tongli Power Electronic Transformer Supporting Energy Storage                  | In Operation    | 2019.8       | 0.3           | 0.3          | PCS supply   | Lithium battery | China    |
| 36     | PCS-9567     | Shanghai Shenneng Energy Storage Demonstration Project                                | In Operation    | 2019.1       | 0.3           | 0.3          | PCS+MGCC+EMS supply  | Lithium battery | China    |
| 37     | PCS-9567     | Shandong Qihe Yongfeng Iron and Steel EPS Energy Storage Project                      | In Operation    | 2019.8       | 0.25          | 0.25         | PCS+PMS+EMS+ battery equipment package, project integration          | Lithium battery | China    |
| 38     | PCS-9567     | All-vanadium liquid flow energy storage project in Nanjing Smart Grid Industrial Park | In Operation    | 2019.8       | 0.215         | 0.83         | PCS+EMS supply project integration, design and construction          | Liquid flow     | China    |
| 39     | PCS-9567     | West Safety Vanadium Liquid Flow Energy Storage Project                               | In Operation    | 2019.7       | 0.06          | 0.24         | PCS supply   | Liquid flow     | China    |
| 40     | PCS-9567     | Sunwoda Bolus Park Lithium Energy Storage Project                                     | In Operation    | 2019.1       | 7             | 7            | PCS supply   | Lithium battery | China    |
| 41     | PCS-9567     | Jiangsu Power Grid Suzhou Renyang Substation Grid Side Energy Storage Project         | In Production   | In execution | 8             | 16           | PCS+EMS supply   | Lithium battery | China    |
| 42     | PCS-9567     | World Bank Ethiopia Microgrid Lithium Energy Storage Project                          | In Operation    | 2020         | 1.4           | 2            | PCS+MGCC+EMS+ battery equipment general package, project integration | Lithium battery | Ethiopia |
| 43     | PCS-9567     | Taizhou Economic Development Zone Comprehensive Energy Project                        | In Operation    | 2019.8       | 0.3           | 0.6          | PCS+EMS supply   | Lithium battery | China    |
| 44     | PCS-9567     | Hedongli Microgrid Energy Storage Project in Jiuquan, Gansu                           | In Operation    | 2020.6       | 3.1           | 6.2          | PCS+MGCC+EMS+ battery equipment general package, project integration | Lithium battery | China    |
| 45     | PCS-9567     | Dalian Liquid Flow Energy Storage National Demonstration Project                      | In Operation    | 2020         | 100           | 400          | PCS+PMS+EMS supply   | Liquid flow     | China    |
| 46     | PCS-9567     | Xinjiang Xinhua Shengshu Photovoltaic Power Station Energy Storage Project            | In Operation    | 2019.12      | 40            | 80           | PCS+PMS+EMS supply   | Lithium battery | China    |
| 47     | PCS-9567     | China General Nuclear Power Gansu Suzhou Microgrid Lithium Energy Storage Project     | In Operation    | 2019.12      | 10            | 20           | PCS+PMS+MGCC+EMS supply  | Lithium battery | China    |
| 48     | PCS-9567     | Zhuhai Hengqin Power Plant Black Start + FM Energy Storage Project                    | In Operation    | 2020         | 22            | 20.5         | PCS+PMS+EMS supply   | Lithium battery | China    |
| 49     | PCS-9567     | Japan NGK Shikoku Island ITO Sodium Sulfur Energy Storage Project                     | In Operation    | 2020         | 1.2           | 7.2          | PCS+PMS supply   | Sodium Sulfur   | Japan    |
| 50     | PCS-9567     | Malawi LIKOMA Island Microgrid Project  | In Operation    | 2020         | 0.5           | 0.5          | PCS+MGCC+EMS+ battery equipment general package, project integration | Lithium battery | Malawi   |
| 51     | PCS-9567     | Malawi CHIZUMULU Island Microgrid Project   | In Operation    | 2020         | 0.1           | 0.1          | PCS+MGCC+EMS+ battery equipment general package, project integration | Lithium battery | Malawi   |
| 52     | PCS-9567     | Thailand EGAT microgrid project   | In Operation    | 2020         | 0.1           | 0.2          | PCS+MGCC+EMS+ battery equipment general package, project integration | Lithium battery | Thailand |
| 53     | PCS-9567     | Thailand EGAT Wind Storage/Optical Storage Project                                    | In Operation    | 2019.12      | 1.5           | 1.5          | PCS+PMS+EMS supply   | Lithium battery | Thailand |
| 54     | PCS-9567     | Anhui Huaneng Mengcheng Wind Farm Energy Storage Project                              | In Operation    | 2020.8       | 40            | 40           | PCS+PMS+EMS+Battery EPC package                                      | Lithium battery | China    |
| 55     | PCS-9567     | Tibet Langkazi Photovoltaic Power Station Energy Storage Project                      | Shipped         | In execution | 1             | 1            | PCS+PMS+EMS supply   | Lithium battery | China    |
| 56     | PCS-9567     | Shenzhen Power Supply Bureau Dapeng Energy Storage Project                            | In Production   | In execution | 0.5           | 1            | PCS+EMS+ battery equipment total package supply                      | Lithium battery | China    |
| 57     | PCS-9567     | India L&T Energy Storage Project  | In Operation    | 2020         | 0.5           | 1            | PCS supply   | Lithium battery | India    |
| 58     | PCS-9567     | Sichuan Shengtian New Energy Building Smart Microgrid Demonstration Project           | In installation | In execution | 0.15          | 0.2          | PCS+MGCC+EMS supply  | Lithium battery | China    |
| 59     | PCS-9567     | Hainan Shuangdeng 1MWh lead-carbon battery energy storage system project              | In installation | In execution | 0.5           | 1            | PCS supply   | Lead carbon     | China    |

## NR Typical BESS Reference List

| Sr.No. | Product type | Project name   | Status          | Time         | Capacity (MW) | Energy (MWh) | Project scope  | Battery Type    | Location     |
|--------|--------------|--|-----------------|--------------|---------------|--------------|--|-----------------|--------------|
| 60     | PCS-9567     | Rongke Hainan Tpower Energy Storage Project  | In Production   | In execution | 0.15          | 0.6          | PCS supply   | Liquid flow     | China        |
| 61     | PCS-9567     | Rongke South Africa Tpower Energy Storage Project  | In installation | In execution | 0.15          | 0.6          | PCS supply   | Liquid flow     | South Africa |
| 62     | PCS-9567     | Xinjiang Urumqi Anninggu No. 1 and No. 2 New Energy Transformation Project   | In installation | In execution | 0.75          | 2.95         | PCS+MGCC+EMS supply  | Lithium battery | China        |
| 63     | PCS-9567     | HEPCO Energy Storage Project in Hokkaido, Japan  | In Operation    | 2021         | 18            | 54           | PCS supply   | Liquid flow     | Japan        |
| 64     | PCS-9567     | 101 National Energy Demonstration Project Comprehensive Energy Project   | In installation | In execution | 4             | 4            | PCS+EMS supply   | Lithium battery | China        |
| 65     | PCS-9567     | 32 microgrid projects in Xinjiang  | In Operation    | 2020         | 3.85          | 7.17         | PCS+MGCC+EMS+ battery equipment general package, project integration | Lithium battery | China        |

| 131    | PCS-9567     | CSG Dongguan Yangwu Substation BESS   | In operation | 2021         | 10            | 30           | PCS   | Lithium battery | China    |
| 132    | PCS-9567     | CSG Dongguan 220kV Nanshe Substation BESS   | In operation | 2021         | 10            | 30           | PCS   | Lithium battery | China    |
| 133    | PCS-9567     | CSG Zhongshan 110kV Henglan Substation BESS   | In operation | 2021         | 5             | 15           | PCS   | Lithium battery | China    |
| 134    | PCS-9567     | CSG Yunfu 110kV Fenghuang Substation BESS   | In operation | 2021         | 5             | 15           | PCS   | Lithium battery | China    |

## NR Typical BESS Reference List

| Sr.No. | Product type | Project name   | Status       | Time | Capacity (MW) | Energy (MWh) | Project scope           | Battery Type    | Location |
|--------|--------------|--|--------------|------|---------------|--------------|-------------------------|-----------------|----------|
| 135    | PCS-9567     | Ningxia Guodianou Muhe BESS                            | In execution | 2022 | 200           | 400          | PCS                     | Lithium battery | China    |
| 136    | PCS-9567     | Anhui Jingzhai 25MW BESS                               | In execution | 2022 | 25            | 50           | PCS                     | Lithium battery | China    |
| 137    | PCS-9567     | Guangdong Datang Zhaoqing thermal Plant BESS           | In execution | 2022 | 12            | 12           | PCS                     | Lithium battery | China    |
| 138    | PCS-9567     | Longbai Group 5MW/2min Super-capacitor BESS            | In execution | 2022 | 5             | 2 min        | Supply of complete BESS | Super capacitor | China    |
| 139    | PCS-9567     | Gansu Minqing Hongshagang 200MW Solar 42MW/84MWh BESS  | In execution | 2022 | 42            | 84           | EPC Integration of BESS | Lithium battery | China    |
| 140    | PCS-9567     | Xinjiang Keping 10MW/20MWh BESS                        | In execution | 2022 | 10            | 20           | Supply of complete BESS | Lithium battery | China    |
| 141    | PCS-9567     | Yunnan Dali Dayan Town 10MW/20MWh                      | In execution | 2022 | 10            | 20           | Supply of complete BESS | Lithium battery | China    |
| 142    | PCS-9567     | Xinjiang Aketao Solar Integration 5MW/10MWh BESS       | In execution | 2022 | 5             | 10           | Supply of complete BESS | Lithium battery | China    |
| 143    | PCS-9567     | United Kingdom PGT 100MW/100WMh BESS                   | In execution | 2022 | 100           | 100          | PCS+PMS+EMS             | Lithium battery | UK       |
| 144    | PCS-9567     | Ningbo Weirui 4MW/13.76MWh BESS                        | In execution | 2022 | 4             | 13.76        | Supply of complete BESS | Lithium battery | China    |
| 145    | PCS-9567     | Yuedian Zhanjiang 10WM/20MWH BESS                      | In execution | 2022 | 10            | 20           | Supply of complete BESS | Lithium battery | China    |
| 146    | PCS-9567     | Jinke Haining Industry Plant 10MW/20MWh BESS           | In execution | 2022 | 10            | 20           | Supply of complete BESS | Lithium battery | China    |
| 147    | PCS-9567     | Xingjiang TBEA Keping 10MW/20MWh BESS                  | In execution | 2022 | 10            | 20           | Supply of complete BESS | Lithium battery | China    |
| 148    | PCS-9567     | Hubei Jingmen Gaoqiao 50MW/100MWH BESS                 | In execution | 2022 | 50            | 100          | Supply of complete BESS | Lithium battery | China    |
| 149    | PCS-9567     | Henan Yuzhou Tianrui Wind 4MW/8MWh BESS                | In execution | 2022 | 4             | 8            | Supply of complete BESS | Lithium battery | China    |
| 150    | PCS-9567     | Zhejiang Leqing Coal fired Power plant 20MW/20MWh BESS | In execution | 2022 | 20            | 20           | Supply of complete BESS | Lithium battery | China    |
| 151    | PCS-9567     | Alashan Utility 25MW/25MWh Demonstration BESS          | In execution | 2022 | 25            | 25           | Supply of complete BESS | Lithium battery | China    |
| 152    | PCS-9567     | Gansu Guazhou Wind-Solar Plant 8MW/16MWh BESS          | In execution | 2022 | 8             | 16           | Supply of complete BESS | Lithium battery | China    |
| 153    | PCS-9567     | Zhejiang Hengsen Group 372kW/744kWh BESS               | In execution | 2022 | 0.372         | 0.744        | PCS+BMS+Battery         | Lithium battery | China    |
| 154    | PCS-9567     | Japan Ando-Hazama 600kW PCS Project                    | In execution | 2022 | 0.6           | 0.6          | PCS                     | Lithium battery | Japan    |
| 155    | PCS-9567     | Japan Omron Yachiyo 400kW PCS Project                  | In execution | 2022 | 0.4           | 0.4          | PCS                     | Lithium battery | Japan    |
| 156    | PCS-9567     | Japan Higashikawa 200kW PCS Project                    | In execution | 2022 | 0.2           | 0.2          | PCS                     | Lithium battery | Japan    |
| 157    | PCS-9567     | Japan Abashiri 400kW PCS Project                       | In execution | 2022 | 0.4           | 0.4          | PCS                     | Lithium battery | Japan    |
